ALADDIN #1

It's simple: We gather a crowd, sing, dance, put on a little show. And then people give us money. We don't take it out of their pockets or swindle them or anything. We're turning over a new leaf. We are going to earn our money.

ALADDIN #2

I know you can't make people fall in love. But, if you saw her, you'd understand. She's so smart and fun...and beautiful – inside and out. The only problem is: She's a princess. And to have any chance with her, I'd have to be a.... prince! Hey Genie, can you make me a prince?

JASMINE #1

I just told him the truth: that if he marries me, he'll get an equal partner with an equal say. Why do I have to marry at all? What's wrong with a woman running the kingdom? If I have to marry someone I don't love, then maybe I don't want to be a princess anymore!  
I can take care of myself, thank you!

JASMINE #2

All my life surrounds me with knowledge of the world and then he walls me up inside the palace! It's like I'm a prisoner. Having riches doesn't mean you have happiness. More than anything I want to see the world...find love...live my own life. But Father cares more about ancient laws than his own daughter!

GENIE

Hello.....everybody! Did ya miss me ? You're not hallucinating, that's impossible! I may be dreamy, but I'm no hallucination. Who am I? Who am I? Isn't it obvious? The Genie is here! Mind if I call you Al....Al? Why don't you just ruminare whilst I illuminate the poss-o-bilities!  
I'm gonna grant you any three wishes. But with he lamp comes great responsibility! So let's go over the rulebook, shall we? Rule Number One: I can't kill anybody. Rule Number Two: I can't bring anybody back from the dead. And Rule Number Three: I can't make anybody fall in love with anybody else. Got it

SULTAN

This is preposterous! Clearly I've spoiled the girl. Well, all that's going to change. From now on, I intend to reign over her with an iron fist!

Jasmine, you're a princess. The law states that you must marry a prince by the next moon. We must uphold the ancient ways, dearest. It's not just the law. I won't be around forever, and I want to make sure you're taken care of. If you don't choose a husband tomorrow, I will choose one for you!

JAFAR (responding to Iago's question 'What's in the book?')

The key to a lamp that contains an all-powerful genie! Once I have it in my grasp, worries about the Princess's suitors will be a distant memory I'll have the entire kingdom at my mercy. Let us try the incantation: Rulers of the darkest night, Grant us now a second sight. Guards of storms and angry tides, Show us where the lamp resides?
